

# Raeshal Khurana

Senior Frontend Developer | UI/UX Engineer

+91-8218646702  
raeshalkhurana07@gmail.com  
Bengaluru, Karnataka

## Summary

### Expertise in Angular & ReactJS | 4+ Years

Experienced in building interactive dashboards and enterprise solutions across manufacturing, banking, and automotive domains. Led the visualization of real-time production metrics, driving a 15% increase in operational efficiency by simplifying complex data. Skilled in UI/UX design, performance optimization, and API integration to enhance data visualization and user experience.

## Experience

### Mercedes-Benz | TCS

Frontend Developer

2024-Present

- Led the full lifecycle development of a critical web application (Digital MSR), improving its performance and user engagement by 80%.
- Identified and resolved technical bottlenecks reducing issues by 10%.
- Developed and implemented user-friendly, responsive interfaces for high-traffic platforms using HighCharts & PieCharts, resulting in a 50% reduction in load times.
- Streamlined the integration between frontend and backend systems, improving data flow and reducing API call response times by 60% using Lazy loading of modules and reducing change detection.

### Nordea Bank | TCS

Frontend Developer

2022-2024

- Implemented frontend best practices, enhancing web performance & reducing latency by 35%.
- Build Angular services for real-time user analytics and components to integrate and view the data.
- Diagnosed and eliminated technical bottlenecks, cutting issues by 10%.
- Mentored 2 junior developers, enhancing team productivity by 15%.

### Adani | Wipro Limited

Frontend Developer

2020-2022

- Designed and maintained interactive web application interfaces for the Adani Client Application, improving page load speeds by 25% and enhancing user satisfaction.
- Provided technical support, resolving critical system issues in under 2 hours on average, ensuring maximum uptime for the application.

## Education

### Chandigarh University

Bachelors Of Engineering in Computer Science

- Graduated in 2020.
- I actively participated in managing coding events and placement conferences.

## Primary Skills

- JavaScript (ES6+)
- TypeScript / Java
- Angular
- ReactJs
- NgRx / Redux / Context API
- HTML//CSS/Bootstrap
- TailwindCSS/ Responsive Design
- RESTful APIs
- Performance Optimization
- Server-Side Rendering (SSR)
- Lazy Loading
- State Management
- Signals

## Secondary Skills

- Agile/Scrum
- AI integration
- Team Collaboration
- Communication
- Git
- JIRA
- Continuous Learning
- Docker
- Azure

## Certifications

- HTML&CSS Design
- Java(Basic)
- Angular Essential Training
- Meta Frontend Developer
- Azure Fundamentals
